How can I get funding for my school?

Many schools are faced with yearly budget cuts and have little extra money for special programs.

Play Attention Educational Support Advisors can help you raise money to fund your Play Attention program.

With our help, you or your PTA can hold a fund raiser to purchase a Play Attention Learning System.

We can provide step-by-step instructions for your fundraiser. Your personal fund raiser advisor will help you every step of the way.

With as little as 4 meetings you can pull together a fun filled, profitable, event to fund your Play Attention program.

A Play Attention educational support specialist can assist you in getting inexpensive materials together for the fundraiser.
